On Thursday, October 6, 2005, at approximately 10:00 p.m., detectives from the Organized Crime and Narcotics Division were intercepting the delivery of a half-ounce of cocaine to a residence in the 3400 block of Carlin Springs Road. As the suspect's vehicle arrived, detectives utilized their vehicles to make intentional contact with the arriving vehicle in order to bring the suspect's vehicle to a stop.

During the arrest, a passenger fled the vehicle causing several detectives to engage in a foot pursuit. A detective exited his vehicle to assume a position of cover along the passenger side of the suspect's vehicle. The detective had his service weapon drawn while covering the driver while other detectives were attempting to arrest the driver. The detective unintentionally discharged his service weapon into the vehicle.

There were no injuries as a result of the unintentional service weapon discharge.
